## Legend

Area size: Weight  
Minimum = 13  
Maximum = 53  
Text label: Word

## How To Read This Map

This *temporal bar graph* visualization represents each record as a horizontal bar with a specific start and end date and a text label on its left side. The area of each bar encodes a numerical attribute value, e.g., total amount of funding. Bars may be colored to present categorical attribute values of records.
